- Approval of the minutes of the April 18, 2017 Board Meeting
- Nic Mattson from the Colony Days Committee came to the meeting to tell us about the 4<sup>th</sup> of July to be held from 4:00 to 8:00 pm at the Atascadero Lake Park. The Moose Lodge will be doing the barbequing, 2 Bluegrass bands, vendors, beer (Santa Maria Brewing) and wine Derby and Ancient Peaks) garden, disk golf, corn hole games. Should be really fun. He said we could have a table there to promote Friends of Atascadero Lake. He suggested we look up a poem "Atascadero, An Epic" by Guy Heaton. He was a Paso Robles Resident pre EG Lewis.
- Treasurer's Report, Olan Kaigel: Beginning balance: \$12, 070.09, Income: 2,348.60, expenses: \$1,725.05 leaving an ending balance of \$13,597.60
- Election of Officers: It was moved by Bob Edmonds and seconded by Julie Harrison that existing officers Paul Murphy, President, Don Lynge, Vice President, Olan Kaigel, Treasurer, and Nancy Hair, Acting Secretary all retail their positions. All approved.
- LakeFest, Nancy Hair. LakeFest was a huge success over all and we talked about ways we can improve it for next year so we come out better financially. Our profit was only around \$1,700 so we do need to make changes for next year. The cardboard boat events were hugely successful and we know there will be re-matches for 2018! Again, thank you to all our Sponsors, raffle donators and all of you who gave of your time. We could not do this without you!
- Dancing with Our Stars, Nancy Hair: We were very lucky to be chosen to participate with DWOS 2018. Karen Burish-Wykie is our dancer and she is very excited about the opportunity to dance on our behalf. The event will be for three nights again March 22, 23, 24<sup>th</sup>. The theme is: "Dancing on Broadway". Look for our donation jars and help to make Friends of Atascadero Lake the big 2018 winner! Remember all proceeds go towards our beautiful Atascadero Lake.
- Marilyn Pieters a lake supporter and neighbor attended our meeting to talk about the possibility of solar panels to help defer our electrical costs for the well. Paul Murphy will pursue this.
- On Tuesday August 15<sup>th</sup>, we will be serving up the delicious Elks barbeque. Please let us know if you would like tickets. We are partnering with The Veterans Memorial Foundation. Come on out and enjoy a delicious meal, listen to some great music and enjoy beautiful Atascadero Lake.
- Algae Control/Pipeline Repair. Paul Murphy: Paul spoke with Nick Debar, Director of Public Works. The city is budgeting \$250,000 for these projects and the goal is to have the pipeline repair done by September. Without the pipeline repair winter rains will not be effective to help re-fill the lake. The city has also hired Padre Associates of San Luis Obispo to help with permitting regarding algae control. We appreciate everything the city is doing to keep the lake sustainable and inviting for residents and tourists alike.

Respectfully Submitted,  
Nancy Hair, Acting Secretary
